

Bio

Christel Veraart weaves the vibrant threads of tradition with the contemporary, following in the footsteps of her earlier album, *Musica Sacra*. This new album embarks on a modern journey by reimagining the classics, thus bridging the past with the present. Sacred Arias not only features her vocal abilities but also her own unique arrangements, carefully crafted to breathe fresh life into timeless harmonies. With each note, she aims to transport the listener to a realm where the sacred and the contemporary effortlessly entwine.

Previous Albums & Singles

Terra Incognita, Musica Sacra, Inner Landscapes, Polar Suite, Arctic Aquarelles, A World of Christmas, Lotus Dreams, The Joy of Christmas Classics, Anthology, Pleiades, A Thin Place, Ave Maria, Viglid, Blessings, and more...
